The Garden Barn Garden Club Membership Guidelines

- You must present your card before you checkout to receive credits, sales, or offers.
- This is NOT a credit card.
- Employees, landscape customers, churches, and schools are not eligible.
- Reward Certificates may not be exchanged, refunded, transferred or redeemed for any other form of credit.
- Delivery, labor, bulk materials, sales tax, redeemed gift cards or "Reward Certificates" do not apply to your reward totals.
- Garden Club reward points will be adjusted for returns and refunds.
- The Garden Barn reserves the right to alter or modify the practices and procedures of the Garden Club Card program at any time without prior notification to its members.
- Garden Barn Reward points will be suspended during Garden Barn Bucks and other select promotions.
- Lost or stolen "Garden Club" cards cannot be replaced.

* "Garden Club" coupons are reviewed and processed monthly. When a participant's account reaches 300 points or any multiple thereof, a "Garden Club" reward certificate will be processed and mailed. The "Garden Club" coupon will reflect a reward value of \$10 for every \$300 increment in qualifying purchases in the participants account at the time of processing. Any balance of purchase totals remaining after the "Garden Club" coupon has been issued will remain in the participant's account for further accumulation towards future "Garden Club" reward certificates.
